

FOR 800 SERIES
FLEXGUARD

Protect your 800 Series scanner with FlexGuard - a custom molded sleeve for the 800 Series Scanners. It helps protect the 800 Series barcode scanners against the inevitable drops and bumps of heavy usage. Its durable high-quality silicone is washable and strong enough to resist tears, cracking and over-stretching. It remains light weight and comfortable to hold.

Features

- Durable, High-Quality Silicone - Increases the scanner's scratch, drop and tumble protection
- Easy to Clean - Hand washable
- Slim Design - Keeps the 800 Series Scanner light and portable
- Add a wrist strap or lanyard without removing the FlexGuard from your scanner

Note: Not compatible with Universal Clip
