

## CHARGING DOCK ONLY

### Charge Scanner

Plug in the charging cable beneath the base. Connect the USB into the USB socket. Place scanner into the Charging Dock.

### Mounting the Charging Dock

To securely mount the Charging Dock, drill a ¼ 20 screw into a flat surface, then secure the threaded hole at the bottom of the dock and twist in place to the chosen position.

## CHARGING DOCK & SECURITY BASE\*

### Mounting Security Base with Strong Adhesive

Determine placement of security base.  
Remove the adhesive from the bottom of the base. Press the base down to secure its position.

### Attach Scanner to Charging Dock Security Base

Pull security cable through hole, then pull cable's loop over scanner.

\*Security Base comes bundled with the Charging Dock

## Limited Warranty

Socket Mobile Incorporated (Socket Mobile) warrants this product against defects in material and workmanship, under normal use and service, for ninety (90) days from the date of purchase. Product must be purchased new from a Socket Mobile Authorized Distributor or Reseller. Used products and products purchased through non-authorized channels are not eligible for this warranty support.

Incompatibility is not a defect covered by the Socket Mobile warranty. During the warranty period, Socket Mobile will, at its option, repair or replace the defective product at no charge when furnished with proof of retail purchase, provided that you deliver the product to Socket Mobile or to an authorized Socket Mobile Service Center.

The returned product must be accompanied by a return material authorization (RMA) number issued by Socket Mobile or by an authorized Socket Mobile Service Center. If you ship the product, you must use the original container or equivalent and you must pay the shipping charges to Socket Mobile. Socket Mobile will pay surface shipping charges back to any location in the contiguous United States. This warranty applies only to the original retail purchaser and is not transferable.

Socket Mobile may, at its option, replace or repair the product with new or reconditioned parts and the returned product becomes Socket Mobile property. Socket Mobile warrants the repaired or replaced products to be free from defects in material or workmanship for ninety (90) days after the return shipping date, or for the remainder of the original warranty period, whichever is greater.

This warranty does not cover the repair or replacement of products damaged by abuse, accident, lost products, use beyond Socket Mobile's published specifications, liquid immersion, misuse or misapplication, damages caused by an act of God, nor as a result of service or modification other than by Socket Mobile unless specifically described by Socket Mobile in product documentation. This warranty does not provide coverage for any product updates, for example, updates due to design changes, except as deemed necessary by Socket Mobile, and does not cover any calibration or adjustments necessary for product functionality. This warranty does not cover refurbishing cosmetic damages such as scratched paint, cases or LCD screens.

SOCKET MOBILE IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, INCLUDING DAMAGE TO PROPERTY AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURY. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Some states do not allow limitation of implied warranties, or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state. This product may contain fully tested, recycled parts, warranted as if new.
