DuraSled (Case Only)

Protective case for 800 Series scanner and Samsung:

- XCover Pro (2020)
- Samsung Galaxy J2 Pro (2018)
- Samsung Galaxy J2 Core (2020)
- Samsung Galaxy J3 (2015 - 2017)
- Samsung Galaxy J3 Pro (2016)

- Samsung Galaxy J3 Emerge (2017)
- Samsung Galaxy J3 Achieve (2018)
- Samsung Galaxy J5 (2015)
- Samsung Galaxy J5 Prime (2016)
- Samsung Galaxy S7 (2016)

The DuraSled (case only) is a protective case combining your Samsung phone and SocketScan 800 series scanner into a single solution. It features rubberized material which increases drop protection and durability to both the Samsung device and the 800 Series scanner. It shields both devices from scratches and other damaging debris. Ideal for mobile workers who are looking to use a handheld device and a scanner. Developed to charge both the scanner and Samsung phone in a single-charging design.

Features:

- Lightweight single-handed solution
- Available for specific for Samsung's Galaxy Android smartphones
- Combines and protects both Socket Mobile's 800 Series barcode scanner and Samsung phones with a durable Elastomeric (rubber) case
- Integrates connectors from both devices directly into the case for dual charging
- Features magnetic contacts for ease of docking

Samsung Galaxy
The Samsung Galaxy smartphone comes with 4G LTE and the newest Android operating system.

SocketScan 800 Series Scanners
The 800 Series scanner is a convenient mobile device attachment for on-the-go transactions.
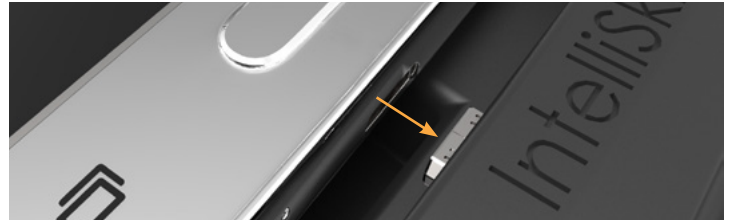

DuraSled (case only)
DuraSled (case only) maintains one-handed scanning solutions, provides a simultaneous charging station, and protects devices from falls.

USB Connector for 800 Series scanner

USB Connector for Samsung phones

Charge your DuraSled with one of the GDS® Charging Docks or Charging Adapter. The exterior docking contacts are specifically engineered for secure docking and charging of both devices in the Case. The charging docks are designed to withstand repeated docking and undocking. Embedded magnets position the DuraSled and hold the docking station in place. Efficient for charging one or many devices.

DuraSled Charging Adapter

Connect your DuraSled to a Snap-Con™ GDS to Micro USB 2.0 Adapter and charge both the scanner and the handheld device at the same time! Perfect for charging at home or anywhere you go.

*DuraSled Charging Dock

Connect your DuraSled to the GDS® Charging Dock. The exterior docking contacts are specifically engineered for secure docking and charging of both devices in the DuraSled.

*Included with bundle

DuraSled Vehicle Charging Dock

The Vehicle Charging Dock is a mounted charger for the DuraSled that provides users the freedom to charge their scanner and phone while on the go.

6 Bay Charger

DuraSled 6 Charge multiple DuraSled devices within a single docking station. This desktop solution is perfect for large offices, conference rooms, vehicle fleets, and other applications requiring mass charging of multiple DuraSleds.
