KEY SELLING POINTS

- Certified by Apple for iOS devices – Guaranteed Compatibility
- Scanning - Reads all 1D barcodes on paper or screen, quickly and accurately, including most faded and smudged barcodes.
- Bluetooth Wireless Technology - Dependable Bluetooth connection to iOS, Android and Windows 10 devices. Auto-reconnection maintains connection even in different environments.
- Exceptional Ergonomics – Small, light and fits perfectly in the hand for comfortable use over extended periods of time.
- Long-Lasting, Replaceable, Rechargeable Battery - Power to last over 16 hours.
- User Indicators – Intuitive LEDs, Bluetooth connection, battery level and scanning status.
- User Feedback - Audible tones and hand pulsation.
- Rugged Design – IP54 rating for dust and water splashing; withstands multiple drops to concrete.
- Native App Support – Socket Mobile's Capture SDK enables easy native app integration in your applications to improve business productivity.
