KEY SELLING POINTS

- Certified by Apple for iOS devices – Guaranteed Compatibility
- Scanning – Rapid 2D and 1D omni-directional barcode scanning with highly visible and safe LED aimer, suited for environments prohibiting lasers. Scans on paper or screen.
- Bluetooth Wireless Technology - Dependable Bluetooth connection to iOS, Android and Windows 10 devices. Auto-reconnection maintains connection even in different environments.
- Exceptional Ergonomics – Small, light and fits perfectly in the hand for comfortable use over extended periods of time.
- Decoding Ability - Reads damaged, poorly printed, overlaid or colored barcodes. The scanner corrects many barcode imperfections.
- Long-Lasting, Replaceable, Rechargeable Battery - Power to last over 16 hours.
- User Indicators – Intuitive LEDs, Bluetooth connection, battery level and scanning status.
- Rugged Design – IP54 rating for dust and water splashing; withstands multiple drops to concrete.
- Data Editing - Add or remove characters and control characters
