

Durasled DS840, Universal Barcode Scanning Sled for XCover Pro

DESCRIPTIONS OF DS800

~25 Words

The DuraSled DS840 is a universal 1D/2D barcode scanning sled that provides a one-handed solution with Bluetooth wireless technology. Simply insert your XCover Pro, pair your scanner and you are ready to go.

~50 Words

The DuraSled DS840 is a universal 1D/2D barcode scanning sled that provides a one-handed solution with Bluetooth wireless technology. The DuraSled reads barcodes printed or on-screen and protects the XCover Pro from tumbles. It is easy-to-use and ideal for delivery services, stock counting, ticketing and other app-driven mobile solutions. Simply insert your XCover Pro, pair your scanner and you are ready to go.

~100 Words

The DuraSled DS840 is a universal barcode scanning sled with Bluetooth® wireless technology. The DS840 reads the most popular 2D/1D barcodes and is perfect for retail point of sale, inventory management, sales order entry, field service, and other mobile business applications. Users can scan barcodes printed on labels or displayed on screens. The external rubberized material increases drop protection. The DuraSled enables one-handed operation. Insert your XCover Pro and you are ready to go.

DESCRIPTIONS OF DS800 WITH CHARGING DOCK

~25 Words

The DuraSled DS840 is a universal barcode scanning sled with Bluetooth® wireless technology. Use the Charging Dock to charge and store both sled and XCover Pro.
