

## SOCKETSCAN S800, LINEAR BARCODE SCANNER

### DESCRIPTIONS OF S800

#### ~25 Words

The Socket Mobile S800 is a small, high-performance, 1D barcode scanner with Bluetooth wireless technology that easily attaches to a smartphone. Reads printed or on-screen barcodes.

#### ~50 Words

The Socket Mobile S800 is a 1D barcode scanner with Bluetooth wireless technology. Attachable to smartphones, enabling one-handed scanning of barcodes printed or displayed on device screens. The S800 is one of the smallest and lightest 1D barcode scanners, fitting in your pocket and the palm of your hand when attached to a smartphone.

#### ~100 Words

The Socket Mobile S800 is a 1D imager barcode scanner with Bluetooth wireless technology. Small, thin and easy to use, the scanner is optimized for attaching to mobile devices, enabling one-handed operation. The S800 can scan barcodes printed on labels or displayed on device screens. It reads all the most popular 1D barcodes and is perfect for retail point of sale, inventory management, sales order entry, field service, and other mobile business apps.

Approximately the same size as a credit card measuring less than ½ inch (1.27cm) thick and weighing less than two ounces, the S800 is one of the smallest and lightest barcode scanners available in the market today. The S800 slips neatly into your pocket and fits comfortably in the palm of your hand when attached to a smartphone.

### KEY SELLING POINTS

- Bluetooth Wireless Technology - Connects easily to a wide range of Bluetooth enabled smartphones, tablets, notebook and desktop computers
