## KEY SELLING POINTS

- Bluetooth Wireless Technology - Connects easily to a wide range of Bluetooth enabled smartphones, tablets, notebook and desktop computers
- Certified by Apple for iOS devices – Guaranteed Compatibility - With Capture SDK integrated in over 700+ apps, Socket Mobile scanners are one of the most natively integrated scanners available today. Socket Mobile Scanners are also 100% compatible with any app out-of-the-box in HID (keyboard emulation) mode.
- Compatible with all Android and Windows devices and apps
- Scanning - Reads all common 1D / linear and stacked barcodes
- Exceptional Ergonomics - Small, lightweight, and fits perfectly in the hand for comfortable use over extended periods
- Long-Lasting, Replaceable Battery – Power to last a full work day, up to 9 hours
- User Indicators – Intuitive LEDs, beeps, and vibrations let users know battery, Bluetooth connection and scanning status
- User Feedback - Audible tones and hand pulsation
- Color Options - Blue, green, red, white and yellow colors enable style, corporate-branding for personalization and is easy to find in varying work environments
