~50 Words

The Socket Mobile S840 is a high-performance 2D/1D barcode scanner with Bluetooth wireless technology. Attachable to smartphones, enabling one-handed scanning of barcodes printed or displayed on device screens. The S840 is one of the smallest and lightest 2D barcode scanners, fitting in your pocket and the palm of your hand when attached to a smartphone.

~100 Words

The Socket Mobile S840 is a fast-scanning 2D/1D imager barcode scanner with Bluetooth wireless technology. Small, thin and easy to use, the scanner is optimized for attaching to mobile devices, enabling one-handed operation. The S840 can scan barcodes printed on labels or displayed on device screens. It reads all the most popular 2D/1D barcodes and is perfect for retail point of sale, inventory management, sales order entry, field service, and other mobile business apps.

Approximately the same size as a credit card, measuring less than ½ inch (1.27cm) thick and weighing less than two ounces, the S840 is one of the smallest and lightest barcode scanners available in the market today. The S840 slips neatly into your pocket and fits comfortably in the palm of your hand when attached to a smartphone.

KEY SELLING POINTS

- Bluetooth Wireless Technology - Connects easily to a wide range of Bluetooth enabled smartphones, tablets, notebooks and desktop computers
- Certified by Apple for iOS devices – Guaranteed Compatibility - With Capture SDK integrated in over 700+ apps, Socket Mobile scanners are one of the most natively integrated scanners available today. Socket Mobile Scanners can work as a keyboard and are 100% compatible with any app out-of-the-box in HID (keyboard emulation) mode.
- Compatible with all Android, Apple and Microsoft Windows devices and apps
- Scanning – Fast 2D & 1D, omni-directional, barcode scanning with highly visible and safe LED aimer
- Decoding Ability - Reads damaged and poorly printed barcodes
- LED Aimer - Bright, rectangular illumination field with LED pointer for precise aiming
- Size & Weight – Measuring less than ½ inch (1.27cm) thick and weighing less than two ounces (48g)
- User Feedback - With audible tones, hand pulsation and Bluetooth indicators

- Long-Lasting Battery - Power to last over a full work day, up to 10 hours
